2022: Pre-released tracks playlist 🖉

🖨 Professional Experience

Freelance, Music Producer & Composer | Consultant

2011 – present

- Delivered music products for leading brands, reaching audiences of tens of millions over a span of 150+ succesful contracts.
- Leveraged clients' artistic preferences to deliver the maximum level of satisfaction with the final product.
- Produced 5 albums, 2 EPs, 11 singles and over 15 demos, including songwriting, arrangement, team management, recording, mixing, mastering. Assisted in 2 album productions. Contributed music to 2 feature films, 5 short films, 3 web series, 1 TV series, 1 MMORPG, as well as multiple games, advertisments, jingles, audiobooks, and podcasts. 12 credits for sound design and/or edition (advertisments, podcasts, soung logos). 14 performance credits in singles and albums. Click for extended catalogue here.
- Oversaw recording and mixing sessions.
- Transcribed/engraved for copyright protection. PDF to MIDI transcription for various applications.
- Authored music tech reviews.
- DIMUSCO (2020): Improved classification system of this score library, by contributing domain-specific knowledge.

Musopen.org, Head Librarian

2013 – 2019

- Developed workflow for content collection, user contribution management, and quality control. Contributed to the evolution of scraping procedures, both with domain-specific technical advice and by researching data sources.
- Proposed initiatives to improve site functionality and user experience (including engineering and standardizing new data, modifying website features, re-structuring library system, etc.) by leveraging user feedback.
- Performed data entry, ocassionally leading a small team, to manually migrate a database in a project spanning several years. Quality control, cleaning and updating website data using multiple sources.
- Sourced and formatted information on website categories.
- Beta tested music education app.

Courses & Certifications

Live Mixing, National Univ. of La Plata [2020]

JIMUS Conferences: Experience, Production and Thought, National Univ. of La Plata [2018]

Music, Dance & Neuroscience, Univ. del Este [2016]

Intro. to the Music Business, BerkleeX [2014]

Data Analytics Essentials, IBM [2022]

- Reached out to educators, performers, and institutions with mass and targeted messaging/mailing campaigns for general or featurespecific promotion, and to increase recording database, assigning/tracking recordings and handling contracts.
- Proposed initatives to expand the Music Education section, wrote music education articles, outlined proposal for music theory course, researched desgined curated instruments' syllabi.
- Engaged with users, provided information about pieces and licenses, tracked suggestions.

BMAT (Contract), Data Entry

11/2014 - 02/2015

• Monitored audio signal, performed data entry tasks.

Music teacher

2008-16: Private guitar and music theory teacher 2020: Guitar teacher at Classic & Jazz Barcelona

Skills

Music & audio software

Cockos Reaper, Nuendo/Cubase, Avid Sibelius, Photoscore, mixing and mastering plugin suites (Izotope Ozone, Fabfilter, Waves), Izotope RX, VST/MIDI instruments & tools.

Music

Composition, songwriting, arrangement, guitar performance, piano performance (basic).

Audio

Podcast edition, sound effects, audio restoration (basic), mixing.

Coding / Data

Python (data & scraping libraries), Jupyter, VSCode, SQL (Postgre, SQLite), Data Visualization, Machine Learning, Github.

Productivity / Office

Asana, Slack, Trello, Airtable, Descript, Google Workspace [Drive, Meet, Slides, Docs, Sheets, Calendar], Microsoft Office.
